# Abundance Log

We are richer than we think we are. Everyday, record everything of value that comes your way. They can be actual money or something with a value e.g. Coffee Susie bought me \$5. Periodically, review how much you've received on a daily basis, be thankful and celebrate!

The form consists of 12 hexagonal cells arranged in a 4x3 grid. Each cell is outlined in yellow and contains a date field and a dollar amount field. The date field is labeled 'Date' and has two slashes for the day and month. The dollar amount field is labeled '\$' followed by a horizontal line for writing.
